

Pastoral Council Seeking New Members

St Matthew Parish uses the discernment method for membership on the Pastoral Council and we are currently seeking three members to serve terms beginning with the 2017 year.

- The St. Mathew Pastoral Council serves as an advisory and consultative group to the Pastor of the parish. Parishioners know that the pastoral council has a special role. It requires people with particular talents.
- The current seated council prayerfully discerns which of the applicants bring the gifts, perspective and commitment that best serves the parish. The council recommends the candidates to the Pastor who then invites the new members to serve. Selecting from among parishioners who have a gift for service requires a spiritual discernment involving dialogue and prayer. We seek members that are gifted to meet the needs of our diverse parish faith community. The council works in a collaborative manner, implementing consensus in decision-making. Our council is made up of 9 members serving a three year term.

Parishioners are asked to submit their names for consideration for service on the Pastoral Council.
